Xolo Inu

1. Introduction: The Legend of Xolo Inu

Once worshiped by ancient civilizations and now pixelated into eternity, the Xolo Inu has returned—not just from the Ice Age, but from beyond the stars. It is said that this loyal creature guided souls to the afterlife. Now? It guides memecoins to the moon.

Xolo Inu (\$XOLO) is not just a memecoin—it's a cultural time capsule. Rooted in the mystique of the Xolotl, an ancient dog breed revered as a spiritual guide, Xolo Inu bridges millennia of heritage with blockchain innovation. Featured in Pixar's Coco as Dante, the loyal companion, the Xolo now leads crypto degens through the volatile underworld of markets.

Why Xolo Inu?

- Ancient Wisdom, Modern Tech: Built on Solana for speed, scalability, and interstellar travel.
- Community-Driven: No VCs, no rug pulls--just pawsitive vibes.
- Token Burns: Sacrificing tokens to appease the crypto gods.

Xolo Inu

2. Cultural Significance

The Xolo is one of Earth's oldest dog breeds, worshipped as:

- Soul Guides: Buried with owners to navigate the afterlife.
- Protectors: Warded off evil spirits with their otherworldly aura.
- Modern Icon: Immortalized as Dante in Coco, symbolizing loyalty and adventure.

Xolo Inu honors this legacy by merging myth with memes, creating a token as timeless as the breed itself.

Xolo Inu

Know the Xolo

With their striking appearance and generally hairless body, the Mesoamerica Hairless dog, known officially as the Xoloitzcuintli, is certainly one of the most unique dogs in the universe. Xoloitzcuintli is derived from the Nahuatl language. Xolotl is the Aztec god of life and death, and itzcuatl translates as dog. But he is referred to by his shortened name: **the Xolo**.

Origin of Xolo

The Xolo is considered rare. One of a number of primitive, natural breeds, the Xolo wasn't created to look or act a certain way; they simply "were," and then continued to evolve. As with all of the ancient breeds, there is a lot of guesswork, but there's also a good body of evidence to suggest that this is a uniquely-native Mesoamerica breed. We do know that the Xolo has been in existence for more than **3,000 years**.

Archaeological digs at Aztec ruins have uncovered bones deemed likely to come from these dogs. Drawings and artifacts depicting Xolo-like dogs have also been found in the tombs of the Mayans, Toltec, Zapoteca, and Colima Indians.

The Xolo has been in existence for more than 3,000 years. Xolo-like dogs have also been found in the tombs of the Mayans, Toltec & Zapoteca.

Xolo Inu

The Xolo: a Sacred & Revered Dog Breed

The Xolo has long been a culturally-significant symbol. These dogs were considered sacred by the Aztecs and the Mayans, both of whom believed that Xolotl had created them and granted them mystical powers to ward off evil spirits. In addition, it was believed the Xolo could serve as a guide to the underworld. For this reason, Xolos were often sacrificed and buried next to their deceased owners in order to help them journey to the afterlife and continue their bond eternally.

The Xolo's cultural significance has not waned. Famed artists Diego Rivera and Frida Kahlo both had Xolos as pets and incorporated these dogs into their artwork.

Diego Rivera and Frida Kahlo both had Xolos as pets and incorporated these dogs into their artwork.

The Xolo was first registered in The American Kennel Club (AKC) studbook as the Mexican Hairless back in 1887. They remained known by that moniker for some time. The breed was so rare in the United States, though, that numbers dwindled significantly.

While Xolos are famously free of hair, there are actually two varieties—hairless and coated.

Xolo fanciers recognized the breed was at risk and took action. They set forth and searched the farthest and most remote regions of Mesoamerica in search of archetypal dogs. In the end, they returned with ten Xolos that matched the standard they sought to further.

Most Xolos are hairless except for small tufts of hair on their heads, feet, and tips of their tails.

Xolo Inu

The Xolo is not entirely hairless... or hairless at all, in some cases. Most Xolos are hairless except for small tufts of hair on their heads, feet, and tips of their tails. However, roughly one in five are born with a coat of short, smooth fur. They come in dark, uniform coat colour, but the breed is accepted in black, grey black, slate, red, liver, or bronze.

Xoloitzcuintli (pronounced "show-low-eetz-queent-lee"), is a combination of the name of the Aztec God of lightning and death, "Xolotl," and the Aztec word for dog, "itzcuintli."

This rare breed's recognition has increased after the release of Pixar's animated film Coco. 'Dante' serves as a goofy-but-heroic sidekick to the movie's protagonist—a fitting choice, given that the Xolo is a prominent feature in the festivities of Dia de los Muertos, the celebration serving as the central background to the film.

The Xolo is calm, affectionate, and playful.

Spiritual history and modern films aside, the Xolo is calm, affectionate, and playful. They're quiet, keep themselves clean, and love to snuggle. The Xolo is a dog who, really, just wants to "be" with you. Xolos run hot; they literally radiate quite a lot of heat. That extra heat they disperse is often cited as a possible reason the Xolo was thought to have mystical healing powers.

The Xolo

Xolos come in three sizes: Toy, Miniature, and Standard. They range from 10" to 23" tall at the withers, and are roughly 10 to 50 pounds. Xolos also come in coated and hairless varieties.

A primitive, natural breed, he was and is a hunting companion and family companion. Xolo Energy. While they're more apt to be snuggling with you or sleeping in a sunny spot, the Xolo is no couch potato. They're actually quite an athletic and agile. For that reason, like many of the primitive breeds, a good amount of that "wild child" lingers. They can be prone to chasing smaller animals, and the agile Xolo is able to scale or jump fences.

Xolo Inu

The Xolo is smart, but they're sensitive.

So many wonderful things have come from Mesoamerican culture, and this breed is no exception. Mystical healer, spiritual guide—the ancient legends persist today, and that's no doubt in part due to just how endearing the Xolo is. Their needs are simple and their demands are few. The Xolo has earned their status as a cultural icon.

Xolo Inu

Xolos

3. Mission & Vision

Mission: To build a decentralized pack of guardians, creators, and innovators—rooted in ancient wisdom, fueled by memetic energy, and driven by blockchain-native ingenuity.

Our mission reflects a convergence of timelines:

- **Ancient:** Inspired by the Xoloitzcuintli, sacred to the Aztecs, our spirit draws from myth, loyalty, and purpose.
- **Modern:** We leverage the power of decentralized communities and meme culture to mobilize global participation.
- **Future:** We pioneer experimental, community-first innovation in DeFi, NFTs, gaming, and digital identity.

Xolo-Inu exists to unify the crypto underdogs and empower them with tools, lore, and tech to survive the cycles and thrive in the chaos.

Xolo Inu

Vision: To become the #1 interdimensional memecoin—guiding our holders through bull runs, bear markets, and metaverse realms with courage, humor, and unwavering loyalty.

Xolo-Inu envisions a world where memes move markets, communities lead brands, and blockchains preserve culture. Whether it's mooning during mania or howling through the dark, Xolo-Inu is here to lead the pack across digital planes—**not as a trend, but as a timeless movement.**

We are not tourists in crypto. We are spirit guides.

4. Tokenomics: Phases of Ascension

XOLO INU TOKENOMICS

From Ice Age Genesis to Moonshot Ascension

Phase 1: Ice Age Genesis

- Current supply 2,999,999,000 \$XOLO
- Originally minted 3,000,000,000 \$XOLO
- 1,000 tokens have been burned
- No presale, no VCs, just vibes
- Liquidity pool frozen in permafrost

Phase 2: Spirit World Whispers

- 5% Transaction Tax:
 - 3% Liquidity
 - 1% Marketing
 - 1% Burn (forever!)
- Max Wallet: 2% of supply

Phase 3: Xolonaut Training

- Staking contracts
- NFT minting for ancient spirits
- Memes as a service platform beta

Phase 4: Bark to the Future

- CEX listings
- DAO governance

Xolo Inu

- Bridge to Ethereum & Cosmos
- Phase 5: Moonshot Ascension**
- SpaceX payload: Xolo plushie to orbit
 - Burn event with community vote
 - Animated series teaser and merch drops

5. Roadmap: Barking Through Time and Space

Guiding Degens Through the Afterlife of Finance

Launch Date: May 5, 2025 (Cinco de Mayo)

Phase 1: The Spirit Awakens (Q1 – Q2 2025)

"The Xolo stirs beneath the obsidian moon."

- Smart contract development complete (ERC-20 or Solana-based)
- 3 Billion \$XOLO tokens minted
- 1 Thousand \$XOLO tokens burned
- Transfer tax logic (5%) + burn + max wallet limit
- Website + whitepaper published (inspired by Ryoshi)
- Initial community building on Telegram, X (Twitter), and Discord
- First airdrops to early supporters and testers
- Launch campaign: "From Aztec Guardian to Memecoin Mooner"
- Token launch on Devnet, then Mainnet on May 5, 2025

Phase 2: Bark of the Blockchain (Q3 2025)

"The howl echoes through the metaverse."

Launch Xolo DEX pairs on Solana and/or Ethereum

Valhalla Metaverse Game Prototype (Xolo-themed pixel dog battles)

Xolo Academy: Basic crypto education in Spanish + English

Xolo Inu

XoloPay integration begins: Debit card + wallet tools

XoloPlaces opens (NFT + meme merch marketplace)

Meme Partnerships + influencer raids

CMC & CoinGecko listings, marketing push

Community-activated burn milestones + tracker

Phase 3: The Underworld Expands (Q4 2025 – Q1 2026)

"Xolo-Inu leads the way through volatility."

Global reach campaigns: Memes in 10 languages

University of Xolo-Inu opens (DeFi & tokenomics courses)

Launch of Telegram + Discord Xolo Trading Bots

XoloFi Locker for staking, vesting, and DeFi rewards

Community NFTs (Xolo pixel-art guardians & relics)

DAO Framework Proposal: Let the pack vote

Donation wallet transparency dashboard (for school builds, animal shelters)

Phase 4: Moonlight Ascension (2026 and Beyond)

"From legend to legacy."

Full Valhalla Game Launch with token utility

Multichain expansion (\$XOLO on Base, BSC, Avalanche)

Rescue Fund: \$XOLO-funded nonprofit for stray dogs in LATAM

MemeDAO goes live — governance by barking

Animated short series: "Tales of Xolo-Inu"

Meme Merch collabs with artists & designers

Tier-1 CEX listings (Coinbase? Binance? Xolo knows...)

Xolo Inu

Meme War Season Begins: Battle other memecoins

"We are not just a token. We are the Xolo-Inu – ancient protectors reborn in the age of crypto."

6. Community & Legacy

"The pack is eternal. The mission is generational."

At the heart of Xolo-Inu lies a powerful belief: a memecoin is only as strong as its community. We are not a corporate entity. We are a decentralized tribe, bonded by culture, humor, and a shared vision of financial freedom.

Community Pillars:

- Decentralized Pack Leadership – Xolo holders will shape the future through meme-based governance, proposals, and votes.
- Meme Warfare – Coordinated raids, viral campaigns, and playful clashes with rival memecoins fuel our culture and visibility.
- Creator-Fueled Growth – Artists, developers, meme lords, educators, and storytellers are all essential to our movement.

Legacy Initiatives:

- Education First – Through the University of Xolo-Inu, we aim to onboard the next million users into crypto with engaging, culturally relevant content.
- Real-World Impact – \$XOLO supports charity missions like school construction, food relief, and animal welfare in under-resourced communities—especially across Latin America.
- Forever On-Chain – Every meme, every vote, every burn, every school—etched in code for future generations.

We are not just building a coin. We are building a legacy—one meme at a time.

LEGAL DISCLAIMER

PLEASE READ THE ENTIRETY OF THIS "LEGAL DISCLAIMER" SECTION CAREFULLY. NOTHING HEREIN CONSTITUTES LEGAL, FINANCIAL, BUSINESS OR TAX ADVICE AND YOU SHOULD CONSULT YOUR OWN LEGAL, FINANCIAL, TAX OR OTHER PROFESSIONAL ADVISOR(S) BEFORE ENGAGING IN ANY ACTIVITY IN CONNECTION HEREWITH. NEITHER XOLO-INU (THE COMPANY), ANY OF THE PROJECT TEAM MEMBERS (THE XOLO-INU TEAM) WHO HAVE WORKED ON XOLO-INU (AS DEFINED HEREIN) OR PROJECT TO DEVELOP XOLO-INU IN ANY WAY WHATSOEVER, ANY DISTRIBUTOR/VENDOR OF \$XOLO TOKENS (THE DISTRIBUTOR), NOR ANY SERVICE PROVIDER SHALL BE LIABLE FOR ANY KIND OF DIRECT OR INDIRECT DAMAGE OR LOSS WHATSOEVER WHICH YOU MAY SUFFER IN CONNECTION WITH ACCESSING THIS WHITEPAPER, THE WEBSITE AT [HTTPS://WWW.XOLO-INU.COM/](https://www.xolo-inu.com/) (THE WEBSITE) OR ANY OTHER WEBSITES OR MATERIALS PUBLISHED BY THE COMPANY.

Project purpose: You agree that you are acquiring \$XOLO to participate in Xolo-Inu and to obtain services on the ecosystem thereon. The Company, the Distributor and their respective affiliates would develop and contribute to the underlying source code for Xolo-Inu. The Company is acting solely as an arms' length third party in relation to the \$XOLO distribution, and not in the capacity as a financial advisor or fiduciary of any person with regard to the distribution of \$XOLO.

Nature of the Whitepaper: The Whitepaper and the Website are intended for general informational purposes only and do not constitute a prospectus, an offer document, an offer of securities, a solicitation for investment, or any offer to sell any product, item, or asset (whether digital or otherwise). The information herein may not be exhaustive and does not imply any element of a contractual relationship. There is no assurance as to the accuracy or completeness of such information and no representation, warranty or undertaking is or purported to be provided as to the accuracy or completeness of such information. Where the Whitepaper or the Website includes information that has been obtained from third party sources, the Company, the Distributor, their respective affiliates and/or the Xolo-Inu team have not independently verified the accuracy or completeness of such information. Further, you acknowledge that circumstances may

Xolo Inu

change and that the Whitepaper or the Website may become outdated as a result; and neither the Company nor the Distributor is under any obligation to update or correct this document in connection therewith.

Token Documentation: Nothing in the Whitepaper or the Website constitutes any offer by the Company, the Distributor, or the Xolo-Inu team to sell any \$XOLO (as defined herein) nor shall it or any part of it nor the fact of its presentation form the basis of, or be relied upon in connection with, any contract or investment decision. Nothing contained in the Whitepaper or the Website is or may be relied upon as a promise, representation or undertaking as to the future performance of Xolo-Inu. The agreement between the Distributor (or any third party) and you, in relation to any distribution or transfer of \$XOLO, is to be governed only by the separate terms and conditions of such agreement.

The information set out in the Whitepaper and the Website is for community discussion only and is not legally binding. No person is bound to enter into any contract or binding legal commitment in relation to the acquisition of \$XOLO, and no digital asset or other form of payment is to be accepted on the basis of the Whitepaper or the Website. The agreement for distribution of \$XOLO and/or continued holding of \$XOLO shall be governed by a separate set of Terms and Conditions or Token Distribution Agreement (as the case may be) setting out the terms of such distribution and/or continued holding of \$XOLO (the Terms and Conditions), which shall be separately provided to you or made available on the Website. The Terms and Conditions must be read together with the Whitepaper. In the event of any inconsistencies between the Terms and Conditions and the Whitepaper or the Website, the Terms and Conditions shall prevail.

Deemed Representations and Warranties: By accessing the Whitepaper or the Website (or any part thereof), you shall be deemed to represent and warrant to the Company, the Distributor, their respective affiliates, and the Xolo-Inu team as follows:

- in any decision to acquire any \$XOLO, you shall not rely on any statement set out in the Whitepaper or the Website;
- you will and shall at your own expense ensure compliance with all laws, regulatory requirements and restrictions applicable to you (as the case may be);

Xolo Inu

- you acknowledge, understand and agree that \$XOLO may have no value, there is no guarantee or representation of value or liquidity for \$XOLO, and \$XOLO is not an investment product nor is it intended for any speculative investment whatsoever; and
- none of the Company, the Distributor, their respective affiliates, and/or the Xolo-Inu team members shall be responsible for or liable for the value of \$XOLO, the transferability and/or liquidity of \$XOLO and/or the availability of any market for \$XOLO through third parties or otherwise.

The Company, the Distributor and the Xolo-Inu team do not and do not purport to make, and hereby disclaim, all representations, warranties or undertaking to any entity or person (including without limitation warranties as to the accuracy, completeness, timeliness, or reliability of the contents of the Whitepaper or the Website, or any other materials published by the Company or the Distributor). To the maximum extent permitted by law, the Company, the Distributor, their respective affiliates and service providers shall not be liable for any indirect, special, incidental, consequential or other losses of any kind, in tort, contract or otherwise (including, without limitation, any liability arising from default or negligence on the part of any of them, or any loss of revenue, income or profits, and loss of use or data) arising from the use of the Whitepaper or the Website, or any other materials published, or its contents (including without limitation any errors or omissions) or otherwise arising in connection with the same. Prospective acquirors of \$XOLO should carefully consider and evaluate all risks and uncertainties (including financial and legal risks and uncertainties) associated with the distribution of \$XOLO, the Company, the Distributor and the Xolo-Inu team.

\$XOLO Token: \$XOLO are designed to be utilized, and that is the goal of the \$XOLO distribution. In fact, the project to develop Xolo-Inu would fail if all \$XOLO holders simply held onto their \$XOLO and did nothing with it. In particular, it is highlighted that \$XOLO:

- does not have any tangible or physical manifestation, and does not have any intrinsic value (nor does any person make any representation or give any commitment as to its value);

Xolo Inu

- is non-refundable and cannot be exchanged for cash (or its equivalent value in any other digital asset) or any payment obligation by the Company, the Distributor or any of their respective affiliates;
- does not represent or confer on the token holder any right of any form with respect to the Company, the Distributor (or any of their respective affiliates), or its revenues or assets, including without limitation any right to receive future dividends, revenue, shares, ownership right or stake, share or security, any voting, distribution, redemption, liquidation, proprietary (including all forms of intellectual property or licence rights), right to receive accounts, financial statements or other financial data, the right to requisition or participate in shareholder meetings, the right to nominate a director, or other financial or legal rights or equivalent rights, or intellectual property rights or any other form of participation in or relating to Xolo-Inu, the Company, the Distributor and/or their service providers;
- is not intended to represent any rights under a contract for differences or under any other contract the purpose or pretended purpose of which is to secure a profit or avoid a loss;
- is not intended to be a representation of money (including electronic money), security, commodity, bond, debt instrument, unit in a collective investment scheme or any other kind of financial instrument or investment;
- is not a loan to the Company, the Distributor or any of their respective affiliates, is not intended to represent a debt owed by the Company, the Distributor or any of their respective affiliates, and there is no expectation of profit; and
- does not provide the token holder with any ownership or other interest in the Company, the Distributor or any of their respective affiliates.

Notwithstanding the \$XOLO distribution, users have no economic or legal right over or beneficial interest in the assets of the Company, the Distributor, or any of their affiliates after the token distribution.

Xolo Inu

To the extent a secondary market or exchange for trading \$XOLO does develop, it would be run and operated wholly independently of the Company, the Distributor, the distribution of \$XOLO and Xolo-Inu. Neither the Company nor the Distributor will create such secondary markets nor will either entity act as an exchange for \$XOLO.

Informational purposes only: The information set out herein is only conceptual, and describes the future development goals for Xolo-Inu to be developed. In particular, the project roadmap in the Whitepaper is being shared in order to outline some of the plans of the Xolo-Inu team, and is provided solely for INFORMATIONAL PURPOSES and does not constitute any binding commitment. Please do not rely on this information in deciding whether to participate in the token distribution because ultimately, the development, release, and timing of any products, features or functionality remains at the sole discretion of the Company, the Distributor or their respective affiliates, and is subject to change. Further, the Whitepaper or the Website may be amended or replaced from time to time. There are no obligations to update the Whitepaper or the Website, or to provide recipients with access to any information beyond what is provided herein.

Regulatory approval: No regulatory authority has examined or approved, whether formally or informally, any of the information set out in the Whitepaper or the Website. No such action or assurance has been or will be taken under the laws, regulatory requirements or rules of any jurisdiction. The publication, distribution or dissemination of the Whitepaper or the Website does not imply that the applicable laws, regulatory requirements or rules have been complied with.

Cautionary Note on forward-looking statements: All statements contained herein, statements made in press releases or in any place accessible by the public and oral statements that may be made by the Company, the Distributor and/or the Xolo-Inu team, may constitute forward-looking statements (including statements regarding the intent, belief or current expectations with respect to market conditions, business strategy and plans, financial condition, specific provisions and risk management practices).

You are cautioned not to place undue reliance on these forward-looking statements given that these statements involve known and unknown risks, uncertainties and other factors that may cause the actual future results to be materially different from that

Xolo Inu

described by such forward-looking statements, and no independent third party has reviewed the reasonableness of any such statements or assumptions. These forward-looking statements are applicable only as of the date indicated in the Whitepaper, and the Company, the Distributor as well as the Xolo-Inu team expressly disclaim any responsibility (whether express or implied) to release any revisions to these forward-looking statements to reflect events after such date.

References to companies and platforms: The use of any company and/or platform names or trademarks herein (save for those which relate to the Company, the Distributor or their respective affiliates) does not imply any affiliation with, or endorsement by, any third party. References in the Whitepaper or the Website to specific companies and platforms are for illustrative purposes only.

English language: The Whitepaper and the Website may be translated into a language other than English for reference purpose only and in the event of conflict or ambiguity between the English language version and translated versions of the Whitepaper or the Website, the English language versions shall prevail. You acknowledge that you have read and understood the English language version of the Whitepaper and the Website.

No Distribution: No part of the Whitepaper or the Website is to be copied, reproduced, distributed or disseminated in any way without the prior written consent of the Company or the Distributor. By attending any presentation on this Whitepaper or by accepting any hard or soft copy of the Whitepaper, you agree to be bound by the foregoing limitations.

8. Privacy Notice

Privacy Notice for Xolo-Inu Ecosystem

Effective Date: April 30, 2025

Xolo Inu

Introduction

This Privacy Notice describes how Xolo-Inu ("we," "us," or "our") collects, uses, and shares personal information in connection with our digital asset ecosystem. The Xolo-Inu ecosystem offers a range of features including:

- **Valhalla:** This is Xolo-Inu's play-to-earn NFT metaverse game. Players can earn rewards, own and upgrade NFTs, and participate in a virtual economy powered by the \$XOLO token.
- **TokenFi:** This is a platform that aims to simplify the process of tokenizing various assets, making it accessible to a wider audience.
- **XoloFi:** This is the umbrella term for Xolo-Inu's suite of decentralized finance (DeFi) products. It includes features like XoloFi Locker, which allows users to lock tokens and earn rewards.
- **XoloPlaces:** This is Xolo-Inu's NFT and merchandise marketplace, where users can buy and sell digital assets and physical goods using cryptocurrency.
- **University of Xolo-Inu:** This is an educational platform within the Xolo-Inu metaverse, designed to teach people about cryptocurrency and blockchain technology.
- **Staking:** Users can stake their \$XOLO tokens to earn rewards, often in the form of TOKEN, Xolo-Inu's sister token.
- **Xolo Name Service:** This service allows users to create decentralized domain names with the ".xolo" extension.
- **Xolo Trading Bot:** This Telegram bot enables users to manage their crypto wallets and execute trades directly through the Telegram app.
- **Xolo Debit Card:** This prepaid Mastercard allows users to spend their crypto in everyday transactions.

In addition to these features, Xolo-Inu also has a strong focus on community and charitable initiatives, with a portion of the project's funds dedicated to building schools and addressing food insecurity.

We are committed to protecting the privacy of our users and complying with applicable data protection laws, including the General Data Protection Regulation (GDPR), the

Xolo Inu

California Consumer Privacy Act (CCPA), and other relevant regulations in major industrial nations.

Information We Collect

We may collect the following types of personal information:

- **Identity Information:** Name, address, email address, phone number, date of birth, government-issued identification (e.g., driver's license, passport).
 - **Contact Information:** Email address, phone number, mailing address.
 - **Financial Information:** Bank account details, credit card information, transaction history, digital asset holdings.
 - **Technical Information:** IP address, device information, browser type, operating system, usage data, cookies.
 - **Compliance Information:** Information collected for Know Your Customer (KYC) and Anti-Money Laundering (AML) compliance, such as source of funds, tax identification number, and sanctions screening results.
-

How We Use Your Information

We may use your personal information for the following purposes:

- **Provide Services:** To provide and operate our digital asset ecosystem, process transactions, manage accounts, and offer customer support.
- **Compliance:** To comply with applicable laws and regulations, including KYC/AML requirements.
- **Communication:** To send you important notices, updates, marketing materials, and respond to your inquiries.
- **Analytics:** To analyze usage patterns, improve our services, and personalize your experience.

Xolo Inu

- **Security:** To protect our platform and users from fraud, security breaches, and other illegal activities.
-

How We Share Your Information

We may share your personal information with the following categories of third parties:

- **Service Providers:** Companies that help us provide our services, such as payment processors, KYC/AML providers, and IT support.
 - **Legal Authorities:** When required by law or legal process, we may disclose your information to law enforcement agencies, regulators, or other government bodies.
 - **Business Partners:** We may share your information with trusted business partners for marketing or other purposes, but only with your consent.
-

Your Rights

You have the following rights regarding your personal information:

- **Access:** You can request access to your personal information that we hold.
 - **Rectification:** You can request to correct any inaccurate or incomplete information.
 - **Erasure:** You can request to delete your personal information under certain circumstances.
 - **Restriction:** You can request to limit the processing of your personal information.
 - **Objection:** You can object to the processing of your personal information for marketing or other purposes.
 - **Data Portability:** You can request to receive your personal information in a structured, commonly used, and machine-readable format.
-

Xolo Inu

Data Security

We take reasonable measures to protect your personal information from unauthorized access, use, or disclosure. These measures include encryption, access controls, and regular security assessments.

Data Retention

We retain your personal information for as long as necessary to fulfill the purposes for which it was collected, comply with legal obligations, or resolve disputes.

International Transfers

We may transfer your personal information to countries outside of your residence, but we will ensure that adequate safeguards are in place to protect your information.

Changes to this Privacy Notice

We may update this Privacy Notice from time to time. We will post the updated notice on our website and notify you as required by law.
